

LOST BATHER

In event of any waterfront emergency, the Waterfront Director will assume immediate responsibility.

1. The Waterfront Director will order everyone out of the water, and will quickly check out all pairs.
2. The Camp Director and Health Lodge will be notified by radio.
3. An emergency announcement is made and troops follow the designated procedures.
4. Lifeguards will be assigned to search their respective side of the dock.
5. A staff member will be sent as a runner to the campsite to check if the boy is there.
6. The staff will begin to search the swimming area under the direction of the Waterfront director, and will continue to search until the person is found.
7. Camp Director will call for outside help if necessary.
8. Camp Director will notify authorities and Scouts Executive.
