

## **TORNADO PROCEDURES**

If a tornado watch is issued, the Camp Director will notify all staff and leaders.

If a tornado warning is issued that relates to our immediate area, the Camp Director will immediately notify the staff and leaders.

In case of a tornado sighting. have everyone move to low- lying area or southwest corner of a building.

After a tornado has passed, account for all personnel and report any injuries to the Health Lodge.

Stand by for instructions from the headquarters.
